## Score breakdown

Your accessibility score is a measure of how well your site performs against the automated Siteimprove accessibility checks. Our checks are based on WCAG success criteria categorized by Level A, AA, or AAA conformance levels. Below you can see how well you score in each category.

Join experts from Siteimprove and Optimizely on April 5 to discover how to take your content to the...

### **A- level score**

Well done! No Level A errors were found. You can start working on Level AA errors.

### **AA- level score**

You have several high priority errors on your page that need your attention. Level AA is the recommended level of compliance. Just remember, Level A errors

### **AAA- level score**

Excellent! No Level AAA errors were found. Continue what you are doing to stay ahead.

how to take your content to the...

you a report with a snapshot of your website health.

The report provides scores in the three crucial areas: quality assurance, digital accessibility, and SEO based on hundreds of checks done by our cloud-based platform.

You'll also receive your score breakdowns, an overview of issues as they appear on your website, and free tips on how you can fix the most pressing problems.
